

Twenty New Missionaries!

December 2024

Students and staff of the 5th Mission Training School

Pastor Richard in Myanmar reports:

“God successfully led us to complete the fifth three-month-long Mission Training School supported by Global Outreach. We had a Graduation and Commissioning Service on November 17, 2024, with certificates awarded to 32 students. We praise His holy name for what He has done for us.”

Many of the thirty-two students have returned for the second or third training school. Also, many of them have previously had Bible School or even Semi-

nary training. The completion of this three-month intensive training along with previous learning has enabled many of them to accept the calling to return to their home villages as missionaries. These new missionaries represent thirteen different tribal groups.

We are so thankful and happy to share two of the many testimonies we have received:

Myah Myah Tawng, Zinchaung town, Magwe region.

She and her husband are both from a Buddhist background. Even though they are now both missionaries, she had never attended any training course. To join this three-month program, she left her one year old daughter at home so she could study. She testified that as soon as she returns home, she will go and preach Christ to her native people. She is the only believer among her native village.

Aung Ling, Yangon.

He had previously completed a four-year theological program in India. He said that the Mission Training School has given him new insights and he has now accepted the call of God in his life. He made the decision to go as a missionary to the people of Tathung town in Mon State.

It is humbling to hear these stories of such commitment to spread the news of Jesus in remote villages and regions of Myanmar. They accept this calling and go without any promise of support. They realize that they, as well as their families, may have to suffer and make great sacrifices as missionaries. The need for financial support is great, and any monthly sponsorship will reap a great harvest! Another Mission Training School will begin in March 2025 at a cost of \$1,000 per month. You can have a part in making this life-changing training possible.

Children Blessed by You!

An outing to a park brings joy to children at Grace Children’s Home in Bangladesh.

The children being raised in the twenty-five homes supported by Global Outreach come from very difficult and challenging situations. They often come with much sadness, illness, malnutrition, lack of care and education. They may have had to
